Note: You can go to the Tri-Mountain Website and find information on the above Shirts.

The website is: <https://www.trimountain.com/category/products/knits>.

You can then go to the top of the page and find the search box and enter the model number and the name (i.e. 205 Tradesman).

4. We also have Aprons. Our supplier recommends the following apron provided by Port Authority. Port Authority Model No. 700 is billed as an Easy Care, Extra Long Apron which has 3 front Pockets. The Navy colored Apron costs \$17 and includes the KofC Logo with the Knight's Name embroidered above the Logo. You can check out the apron at the Port Authority website: <https://www.portauthorityclothing.com/Accessories/c/accessories#> When you get to the Accessories page, click on the box titled "Aprons" under Category on the left side of the page. Find the Apron Item A700 "Port Authority Easy Care Extra Long Bib Apron". Click on the Apron and it will take you to the Item page. The Apron that we use is the Navy color.
5. Our Supplier has decided to no longer offer hats. If you would like a Knight's Hat, you can visit the Kings of Columbus Gear website (<http://www.knightsgear.com/caps-and-hats-2>) and order a personalized Ball Cap or any of the other hats they provide. This transaction can be done directly between you and the Knight's and delivered by mail to your home.
